

If You're Happy and You Know It

If you're happy and you know it, **clap your hands**
If you're happy and you know it, **clap your hands**
If you're happy and you know it,
then your face will surely show it
If you're happy and you know it, **clap your hands.**

If you're happy and you know it, **stomp your feet**
If you're happy and you know it, **stomp your feet**
If you're happy and you know it,
then your face will surely show it
If you're happy and you know it, **stomp your feet.**

If you're happy and you know it, **nod your head**
If you're happy and you know it, **nod your head**
If you're happy and you know it,
then your face will surely show it
If you're happy and you know it, **nod your head**

If you're happy and you know it, **turn around**
If you're happy and you know it, **turn around**
If you're happy and you know it,
then your face will surely show it
If you're happy and you know it, **turn around**

If you're happy and you know it, **shout "Hurray!"**
If you're happy and you know it, **shout "Hurray!"**
If you're happy and you know it,
then your face will surely show it
If you're happy and you know it, **shout "Hurray!"**

Come si recita:

Ad ogni strofa di questa canzone (che altro non è che la versione in inglese dell'italiana "Se sei felice") bisogna eseguire l'azione citata nel testo. Per esempio nella prima strofa bisogna battere le mani, nella seconda battere a terra i piedi e così via...

Il consiglio di Bilingue Per Gioco:

E' proprio come la versione italiana, particolarmente adatta fin da quando i bambini cominciano ad avere un certo coordinamento motorio e per tutta l'infanzia. Si possono inventare nuove strofe a piacere.
